

## 2014 at CIB's 3 Locations

CIB will kick off its fall semester on September 2nd. Regular classes in the Knowing God Program are always a given; along with advanced classes for more advanced students. However, a couple of new items are to be noted for this year . . .

1. Our first class will be offered in Coeur d'Alene, Idaho. We plan on multiple trips to Northern Idaho this year in hopes of kicking off full classes in the 2015 Fall Semester. If this interests you please contact us now! More details will be posted on the web site as available.
2. The Master's of Ancient Jewish Interpretation courses are up and running. This advanced

degree requires a CIB degree to have been completed for entrance. The Bible is read in its entirety in Hebrew, Greek (the Septuagint or LXX), Aramaic for the Torah (the rest of the Targums in English), the Peshitta in English, etc. Details of how these ancient Jewish translations and the Interpretations within them, are noted and submitted to staff.

3. A Master's degree in Post-Nicene Ecclesiastical History is available for the first time. These studies pick up where the Ante-Nicene Fathers leave off.
4. A Bachelor of English and Master of English are offered this year for the first time.

*White Stone Missions is involved in training Pastors, Native Missionaries, and Bible Teachers. Where the Church exists missionaries are not needed, except native missionaries. In Acts & the Pastoral Epistles leaders were established locally to train their own people. The need is for mature native leadership.*

**Hear us on the Radio!**  
We are making possible plans to place our teaching on the radio in the southern Idaho and eastern Oregon areas. Those of you within ear shot, we hope you enjoy what you hear.
