program to send with them. I believe that they are doing a great ministry and that we might be able to assist them. White Stone Missions Board is informed and very soon will begin praying about their part.

We have agreed to teaching a Greek or Hebrew class in the Coeur d'Alene area this fall. Details will soon be available on our web site.

So can CIB put a CIB campus in Coeur d'Alene? If God is in it then there is no doubt. We are in the beginning and fact finding stages at this point. If things proceed, we will have more meetings over the next months to begin to address the details. Wishful thinking will not be enough; but God's will is more than enough.

We are planning on multiple trips up north over this next year to meet with leaders and possibly begin advertising. We cannot express enough how much we would appreciate your prayers.

Please pray for: -a good response from the leaders in northern Idaho - Staff needs, possible

students to begin meeting with us, a building that will adequately house the College, and other items.

Everyone has a positive view right now. God will have the final say in all such matters.

Join with us in planting a new Bible College Campus in Northern Idaho! Blessing on you all.

In 2014 let's walk in Eternal Life! Do not wait!

Would you like to prepare for full time ministry; or one of the fields of study that we offer? See us on line or call. We would love to show you why any CIB degree is unique.

White Stone Missions is involved in training Pastors. Where the Church exists missionaries are not needed. In Acts & the Pastoral Epistles leaders were established locally to train their own people. The need is for mature native leadership.
