We met with Pastor Joshua, from Kenya, this last week. It was great to see his face. Materials were readied to send back with him and he demonstrated a great spirit. They will operate 4 Bible Colleges in Kenya & Uganda over the next year or two and we are thankful to participate in providing materials for them. We sent a box of materials to Northern Idaho for evaluation by a ministry wanting to see them for possible usage in their Ethiopia ministries. Tanzania is next on our shipping plans. Pray for materials to arrive safely. Thank you for supporting these Independent Bible Colleges. Please pray for those running them. White Stone Missions works directly with CIB in planting Self-Supporting Bible Colleges on Mission Fields. Join us!

more more than a hundred fake papers. He then added them to the Google Scholar database and made Ike “the world’s 21st most highly cited scientist.”

There is an ideology that drives all of this. GET PUBLISHED OR PERISHED is the faculty pressure. Get a name; or at least publish a paper that no one can understand. You might then at least be held to be brilliant since you can’t be understood.

Bible Colleges can be no different. Jesus warned of a life that was hypocrisy; i.e. all was done “to be seen by others,” (Mt 6:1, 5, 16, 23:5-7). This is the temptation: PRIDE. It is the “We must be looked at as important,” test. Who wants to be a Great-Unimportant-Nobody! But this was the way with Jesus. “Be the servant of all” if you want to be great. “The last shall be first,” is not the path most of us are interested in. “Take the lower seats,” Jesus said.

I spent some time looking online at several sites that list Churches looking for Pastors. What interested me was what they

were looking for. Applicant qualifications included:

- have a least a Master’s degree.
- must be published.
- must run all ministries of the Church.
- must have been divorced! I was amazed that a Church said they had so many divorced couples that they wanted a Pastor who had been divorced so that he could understand them. I never would have believed that I might be disqualified from a ministry position because I haven’t divorced my wife!
- speak several languages.

I believe that those who would not qualify would include Jesus, the Apostles, the Prophets, Luther, Calvin, etc. I did read one listing that was for a little Church in a little town that simply wanted to grow in following Jesus, and was indifferent to growing in numbers. If I had been looking for a Pastorate I would have looked there first.

At CIB we try to impress on students and staff that it is not greatness that we are seeking; it is Christ! What matters is faithfulness and nothing more. God told

Jeremiah to tell Baruch, “Are you seeking great things for yourself? Seek them not!” He was Jeremiah’s scribe or personal secretary. He believed that these credentials would exalt him. “Knock it off!” God says.
