### Beginning Again

#### Offering More in Ministry

We are regularly asked to instruct others in need; both locally and abroad. Let us assist you in having a quality understand of the Bible to offer men and women around the world. Come master the Bible in its original language . . . you will be glad that you did! You will see Scripture in a new light! You will what actually did not get translated but is still there and is from God! You will see what cannot be translated but was still given by the Inspiration of God and so is also Scripture.

*N.B. The above paragraph sounds radical, but only because it is! Only Bible Language Students seem to grasp this without offense. Our translations are certainly fine for what they are for (we use them ourselves!). But no one should complain that there is more in the Greek and Hebrew Bible than will ever get into an English Translation. To do so is to simply not understand.*

Staff at CIB agree that if we could begin in ministry again, we would master the languages. This literally shaves hours each week off of our sermon preparation. There are simply many texts that you no longer need.

#### Talk With Us

To set up an interview, please call or email the office. To begin the process, submit a two page testimony of your background, how you became a Christian, and briefly describe your current relationship with God. We look forward to hearing from you.

#### Real Manuscripts

Did you know that students in their final year study from real manuscripts which are hundreds of years old. Scrolls from Pogroms, Esther Scrolls, a complete Torah longer than our main classroom. Come learn to read these for yourself.
