

## Español . . . Sí!

CIB in Español will offer CHRISTIAN LIFE & GROWTH this summer in Spanish. Hector Juarez will be translating and teaching this course in Spanish. Speak to us now if you would like to come, send, sponsor someone, or help with the course. Your prayers are welcome for this newest addition to CIB.

### Uniqueness #1 of Charnock?

Are you aware that CIB is the only school in the world where the entire Bible is studied by the students in the original Greek, Hebrew and Aramaic texts! This gives students a direct access to Scriptures study which is unknown in the entire history of the Church.

### Uniqueness #2 of Charnock?

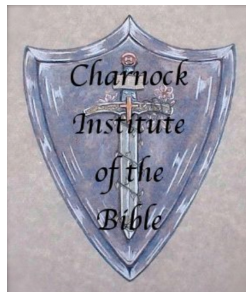

Are you aware that CIB is the only school in the world where the entire body of Christian Writings up to a.d. 325 are read by the students themselves and then discussed in class. This gives students a direct access to teachings of the Early Church from the very beginning. Teachings which are often unknown to the modern Church. This is where they can begin to put together their own Systematic Theology by spending 3 years reading the documents for themselves as they read the entire Biblical text from the Greek, Hebrew, and Aramaic text for themselves. There is no education on earth like this! (continued)
