

Transfer Credits & Degrees

ACCREDITATION

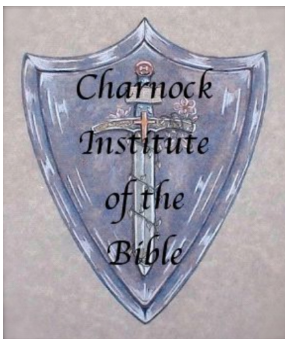

There is great misunderstanding about what Accreditation is and which is not. Most believe it has something to do with the Quality of Education, but it is far from this. It is primarily focussed on Buildings, Libraries, Money, and the future Plans of the institution. Education simply does not enter into this. Colleges offer programs which are not accredited by anyone, along side of their other programs. Accreditation is primarily the path of access to Public Funds. You get money! 90% of all educational institutions, both private and public, are not accredited! This lack of understanding may lead to a poor education.

TRANSFER CREDITS

Another misunderstanding which is everywhere is that Accreditation means that All My Credits Will Transfer To All Other Institutes of Higher Learning. This is simply not the case. No Institute can claim that their Credits will transfer to all other Colleges, Universities, etc. The reason that they cannot claim this is because they cannot guarantee it! Institutes can accept and grant Credits from Non-Accredited Institutions if they believe that there has been a quality level of learning in activities or courses offered.

The reverse is also true. Credits from ac credited Institutions will be rejected by . . . (Continued)

PLAN NOW FOR THE ADVENTURE OF A LIFETIME

CIB Degree Seeking Students begin classes in Summer Session. Summers are REQUIRED if you seek a degree. Plan on 10 Weeks of Intensive Language Study each Summer. Greek, Hebrew, Latin and Aramaic. There are exceptions, so be sure to look

at requirements (charnockedu.com). There is no education like the one offered at CIB. We are not for everyone, so make sure you know what you are choosing; after all there are Years of your life involved.

We will give you our very souls at CIB. You are what matters!

Pakistan is the next large project and we are ready to translate key works for a full Discipleship Program into the Urdu Language. This will be for New Believers, Maturing Believers, Church Leaders and Pastoral Training.

God has been good to White Stone Missions and we pray that we are being faithful to Him. We have wonderful plans for this next year and beyond if God wills. Join us for this great adventure in honoring our Lord and Discipling the Nations.

Thank you for your prayers and support.

Blessings in the Lamb

Institutions which are not accredited. Reasons include:

1. Poor quality of education from the Credit Transferring Institution. They are accredited but their education is simply of very poor quality.
2. Poor Grades. Some accept no grades lower than a B from ANY Institution.
3. Credits and Course Work are simply in the wrong field. Not all classes fit all degrees.
4. Institutional Positions. I asked to challenge courses at the first Bible College I attended. I was informed that they wanted me to take the courses to get their Doctrinal position. I was allowed to take a test for once class for no credit by a Professor who approved it. I passed the test just fine!
5. There will be other reasons for a non-accredited Institution to not accept credits from an accredited Institution.

DEGREE TRANSFER

Degrees may be accepted from non-accredited Institutions by an accredited Institution. Again, it will all depend upon what the Institution thinks they are seeing.

INSTITUTIONAL IGNORANCE

Some Institutions simply teach but have little

understanding of what they can do and how they can interact with other Institutions.

ALWAYS CHECK FIRST

NEVER ASSUME your credits will transfer! Always check before beginning any program of study that may require you to transfer credits. I have met men and women who worked for Degrees with the intention of transferring everything to the next step; only to find that many of their credits were rejected. Always CHECK FIRST!

CIB CREDENTIALS

CIB Credits and Degrees WILL TRANSFER to other Institutions; both Accredited and Non-Accredited. But as always CHECK FIRST! I am aware of NO Institution that accepts all credits from all Institutions.

CIB EVALUATIONS

CIB has had both Students and Staff from the Hebrew University, Masters College & Seminary, and others, be amazed at what CIB is doing. They tell us, "We have never seen or even heard of anyone doing what you are doing!" We believe we offer a Biblical Education like no other Institute of Higher Learning. Graduates have read through the entire Bible in the Greek, Hebrew and Aramaic Texts. They read all known documents of the Early Church up to a.d. 325. This provides them with a

complete theology, or Systematic Theology, from the Early Church. There is much more, but you get the idea. To our knowledge you cannot get this quality of education anywhere else.

CONCLUSIONS

Accreditation and Education are not the same thing! Do you NEED an Accredited Degree? Some do. Many do not! CIB Graduates are Pastors, Professors (in both Accredited and Non-Accredited Colleges), Missionaries, Hebrew and Greek Consultants for Bible Translators, and more. Choose Wisely!

Blessings in the Lamb!
