### New Mongolian Bible College

REJOICING...

#### NEW BIBLE COLLEGE

Jest received a letter from Mongolia. The new Mongolian Bible College has officially launched. We wrote the curriculum for this College and much of it is NEW and has never been used at a Bible College or Seminary before; not even in the U.S. Thank You to our Lord and to those who have helped out at WHITE STONE MISSIONS and CHARNOCK INSTITUTE OF THE BIBLE.

publish it in about a week. Incredible Systematic Theology for Children! Much to do before the end of the week for Mongolia but actually looking forward to it. This is third translation of this book we have sponsored and hope shortly for a fourth in the Urdu language for Pakistan and West India.

#### TWO NEW TRANSLATIONS

One of our Staff is in India as I write this. She will be working with Wycliffe Associates on two back-to-back translations while there.

#### NEW BOOK

The book LEADING LITTLE ONES TO GOD, by Schoolland has also been translated into Mongolian and we hope to

#### PLAN NOW FOR THE ADVENTURE OF A LIFETIME

CIB Degree Seeking Students begin classes in Summer Session. Summers are REQUIRED if you seek a degree. Plan on 10 Weeks of Intensive Language Study each Summer. Greek, Hebrew, Latin and Aramaic. There are exceptions, so be sure to look

at requirements ([charnockedu.com](http://charnockedu.com)). There is no education like the one offered at CIB. We are not for everyone, so make sure you know what you are choosing; after all there are Years of your life involved.

We will give you our very souls at CIB. You are what matters!

. . . work going on there. We plan on writing and translating a full Bible College Curriculum for a ministry we are working with. We are also creating a complete Discipleship Program for New, Maturing, and Mature men and women. The book LEADING LITTLE ONES TO GOD, by Marian M. Wchoolland will be translated shortly and published to be handed out to Churches and Sunday School Leaders and Families. Please pray for this Muslim country, for the ministry there and the families of those being martyred. Pray also for the Ministries operating there, for the Bible College and the other ministries we are targeting with assistance.

### JUNGLE BIBLE COLLEGE

We have a staff member in the jungles of New Guinea where he is teaching Tribal Pastors. Pray for Joel please as he labors there.

### SUNDAY SEMINARY

A NEW project has been launched in the Ontario/Payette area. Sunday afternoons we are hosting FREE College Classes. Presently running are Greek Grammar II, and Bible Doctrines. These classes are the same classes offered at Charnock, but they proceed at half the pace of regular classes. If you are in the area, why not grab your Bible and a friend and join us. "Certificate of Completion" will be awarded to those earning them. College

Credit is available through Charnock (see the Office).

### PUBLISHING BOOKS

We at CIB, in partnership with White Stone Missions, and other ministries abroad, are launching out into the Publishing World. We plan only on small runs of books primarily for the Mission Field(s). We have invested in equipment to do Professional Binding and will begin our first project in about a week. With fear and trembling we hope to be shortly on our way.

### BE A MISSIONARY

We need men and women to join with us in partnering with Wycliffe Associates to travel throughout the world as Translation Consultants. Some 40 - 50 Translations a year are completed. Why not come and serve where there is the greatest need! We will prepare you with the needed languages and training to get you started. You can be on the field and joining in Bible Translation Projects while getting your education at CIB.

*Thank you to all of you who work so hard with us. You make this possible as Jesus works through you!*
