THE BIBLE MASTERY DISCIPLESHIP PROGRAM

Part I

BEGINNING CHRISTIANS

Part II

MATURING CHRISTIANS

Welcome

If You are a new or beginning Christian, the best way to proceed is to read those books of the Bible which are written to New Christians. Each section should be read daily for at least one week if possible. (If you are a poor reader, then get through the section at least once by reading, or having someone read it to you, or listening to something that will do the same.)

Ephesians 2:20 "You are being built upon the foundation which is Jesus Christ and the Apostles" that is, their teachings in the Bible. This is your foundation for everything.

Where To Begin to be Free

1 Peter 2 says, "by the milk of the pure Scriptures you will grow!" When you have worked your way through Part 1, 10 WEEK NEW BELIEVER'S COURSE, then finish reading through the rest of the New Testament and then read the Old Testament. A Reading Guide is provided to help you stay on course. Put an "X" at the end of each section you complete. IF ITS WORTH DOING, ITS WORTH DOING RIGHT. So give it your best effort and stay at it. Ask Jesus to help you and trust Him. He will teach you how to pray and how to live. "If you continue in my word, then your are My real disciples and you will know the truth and this truth will set you free" (from sin) . . . if the Son shall set you free you shall be really free." - Jesus in John 8.
