Introduction

In this 9 Month Course you will read through the New Testament 12 Times in a way that will help you grasp, and find your way around, the New Testament.

Learning by Reading over something multiple times has long been used for instruction. By the end of Part I and Part II you will know your New Testament very well.

Assignments

Each Reading takes 2 Weeks to complete. This Guide can be kept in your Bible, and you can check off each reading daily as you complete it. There are no Readings on Sundays.

Each Reading is to be completed daily. Do not do multiple readings on one day. Rather complete the designated Reading each day, for 6 days. You can however, complete the reading in two parts. For example one part in the morning and the second part in the evening. Or even in three Parts.

The key here is to keep moving and do not stop to dwell on passages. Just Read! Readings take about one hour each day to complete.

Format & Grade

Every Two Weeks you will Sign a Reading Completion Paper. Your grade is simply the completion of the program. Falling behind in the Reading will destroy your grade.
