Introduction

In this 9 Month Course you will read through the Old Testament 6 Times in the order in which its events took place, and be able to find your way around the Old Testament.

Learning by Reading over something multiple times has long been used for instruction. By the end of Part I and Part II you will know your Old Testament very well. DO NOT READ SLOWLY!

Assignments

Each Reading takes 1 Week to complete. This Guide can be kept in your Bible, and you can check off each reading daily as you complete it. There are no Readings on Sundays.

Each Reading is to be completed daily. Do not do multiple readings on one day. Rather complete the designated Reading each day for 6 days. You can however, complete the reading in two parts. For example one part in the morning and the second part in the evening. Or even in three Parts through the day.

The key here is to keep moving and do not stop to dwell on passages. Just Read! Readings take about one hour each day to complete if you do not slow down.

Format & Grade

Every Week you will Sign a Reading Completion Paper. Your grade is simply the completion of the program. Falling behind in the Reading will destroy your grade.
